ClickShare Hub

Modular, one-tap video
conferencing room system

BARCO

ClickShare Hub:

modular video conferencing room system

Start your meeting with a simple tap on the ClickShare Control Panel and wirelessly share content with the enhanced, next-gen ClickShare Button. With ClickShare Hub, meeting participants enjoy effortless, engaging hybrid meetings while IT managers enjoy easy integration and top-tier security.

ClickShare Hub is a modular wireless video conferencing room system for enhanced, effortless hybrid meetings.

It includes a Base Unit, a Control Panel, and 1 or 2 ClickShare Buttons. As a key component of a Microsoft Teams Room ClickShare Hub works seamlessly with certified devices such as video bars, cameras, and speakers.*

*Room bundles in development for Microsoft Teams Room certification.

Empowers you

Freedom to present, anywhere
No cables. Move and share from anywhere via the new-gen Button or the ClickShare App.

Truly see everyone, no matter their location
Dual display and ultrawide screen keep all participants and content visible.

Work your way
Supports BYOD, no-laptop setups, scheduled, or impromptu meetings

Built around you

Flexibility and ease of use
A flexible, customizable, and modular solution to meet the needs of all employees.

Guest friendly
Easy and quick sharing via next-gen Button or USB-C DisplayPort™ with broad OS compatibility.

Makes your life easy

Enterprise-grade security
Native Microsoft Teams Rooms and works with existing company systems.

Effortless hybrid meetings
Join video calls with a tap on the Control Panel or share content wirelessly with the next-gen Button.

No need for training
Intuitive and user-friendly by design.

Has you covered

Secure & compliant
Enterprise-grade encryption and ISO/IEC certified.

Always up to date
Free updates, Microsoft enhancements, and 3-year warranty.

Eco-smart
A+ Barco Eco Label. High performance, low footprint.

Easy management
Monitor and optimize rooms with XMS Cloud.

Seamless integration with certified AV devices

As a key component of a Microsoft Teams Room, ClickShare Hub works seamlessly with certified devices such as video bars, cameras, and speakers, providing an easy integration experience for IT teams and ensuring smooth, high-quality meetings for participants.
